

Welcome to Art & Design

Please see our welcome blog
for all the welcome information:
kendalartsandmedia.wordpress.com

What you'll need for your course

Congratulations on being offered a place! To get the best out of your course, it helps to ensure all your work is organised and that you have the resources you will require. We strongly recommend that you purchase the following:

- Pen, coloured pens, pencil, ruler, eraser, highlighter and sharpener
- Notebook or small sketchbook
- Basic drawing equipment
- Laptop or another internet enabled device (this is not essential, however it is recommended)
- Level 2 Photography & Film students will also require their own DSLR or similar digital camera

On your first day, you will also be required to pay a workshop fee (£35 Levels 2 & £40 Level 3 & FAD) which subsidises the cost of your experience at college.

Our Student Services team offer financial support towards the costs of coming to college. For further guidance, please contact one of the team directly on: **01539 814700** or go to the student money pages on the website.

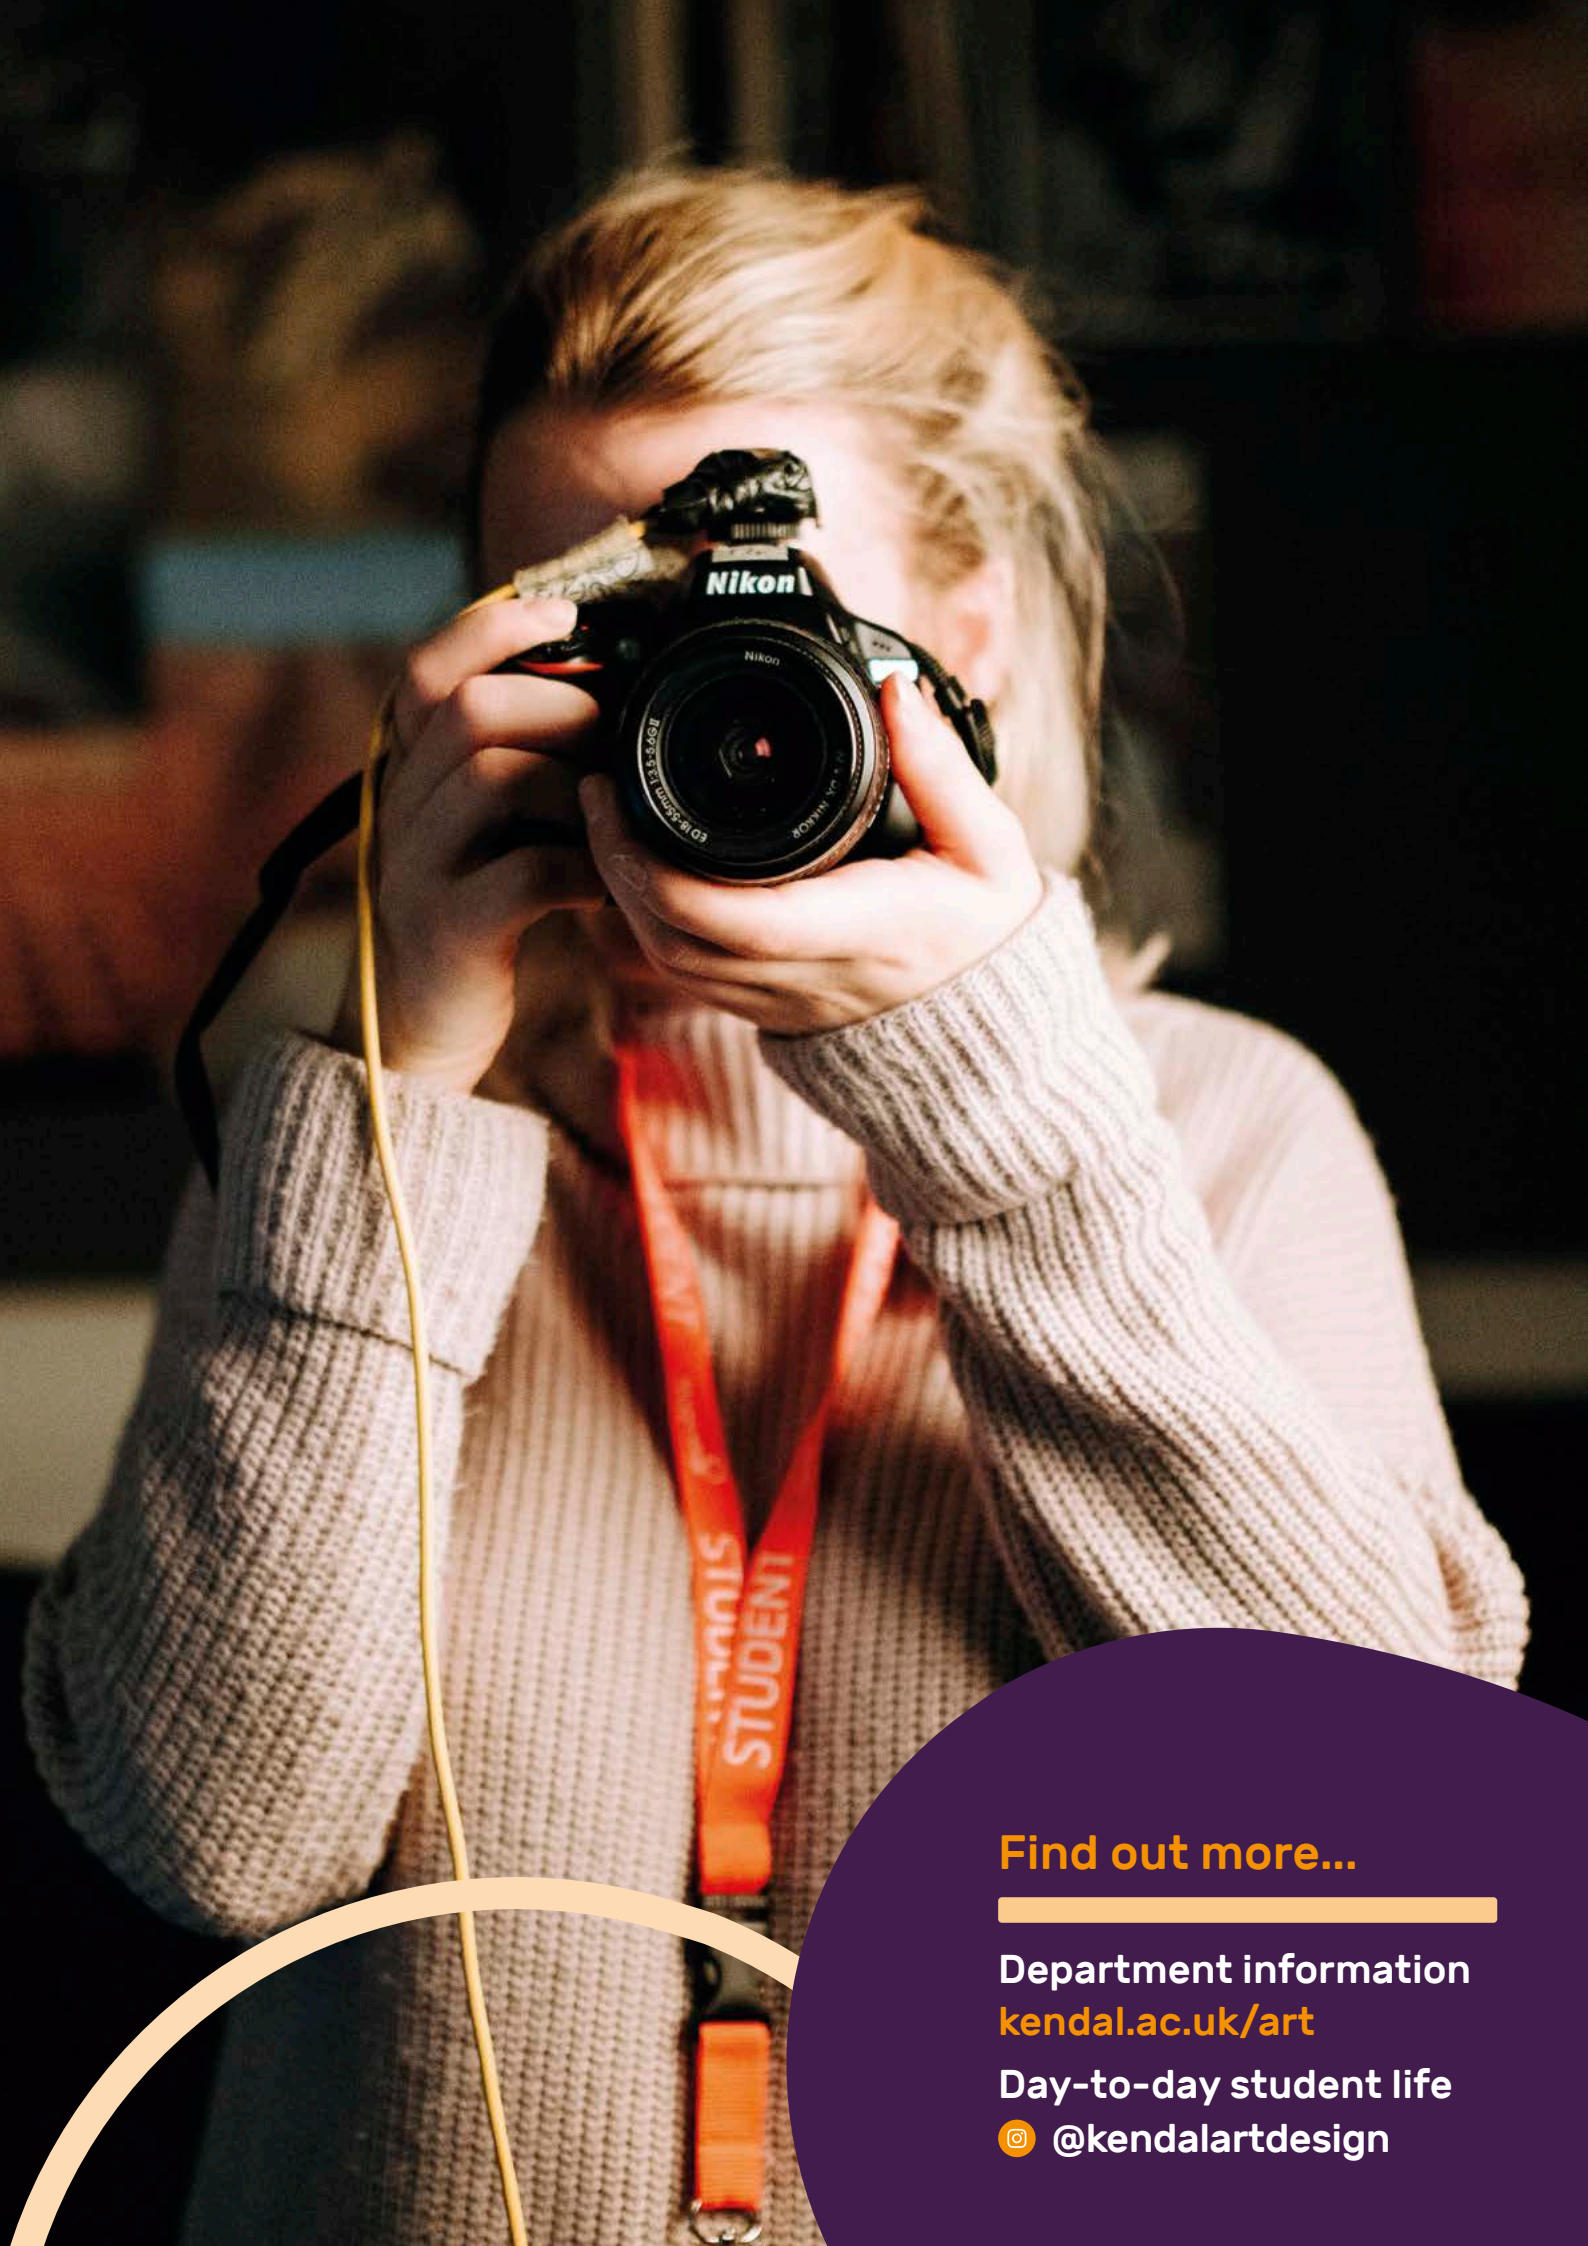

We're looking forward to welcoming you to the Art & Design department!

If you are unsure of anything, this information will be further explained at Enrolment Day and during your induction.

Enrichment activities

Alongside your day-to-day activities, you will also take part in many enriching activities, including day trips to galleries, cities and attractions and a three-day London residential. The department plays a pivotal role in the development of creative activities and practices within Kendal, the South Lakes and Cumbria. Collaborating directly with the Brewery Arts Centre, Abbot Hall Gallery, Blackwell Arts and Crafts house and a vast range of local design and creative businesses, events and organisations.
