

# Welcome to Music

Please see our welcome website for all the welcome information:  
[kendalcollegemusic.wixsite.com/kendalcollegemusic](https://kendalcollegemusic.wixsite.com/kendalcollegemusic)

## Summer preparation

We recommend that you use as much time as possible over summer to practice your performance skills, either at home, at open mic nights or even find jam sessions in your local area.

Listen to as much music as possible from a wide variety of eras and genres and take up any opportunities to see shows, attend music festivals or volunteer at local events.

These types of experiences will be of huge benefit to you when starting in September!

## What you'll need for your course

Although you will not need your instrument(s) on your first day at college, we recommend that you prepare your instruments and/or voice for the induction weeks and the first performance lessons. We also recommend that you bring a pen/pencil and notebook for contextual and practical lessons, or whatever you use to take notes.

Our Student Services team offer financial support towards the costs of coming to college. For further guidance, please contact one of the team directly on: **01539 814700** or go to the student money pages on the website.

## Enrichment activities

Students will have the opportunity to attend off-site visits and workshops, in previous years we have been to Strong Room Studios in London, Manchester Academy, Spirit Studios in Manchester and Elevator Studios in Liverpool. All of our trips are industry related, inclusive and as cost effective as possible.

We also have many visits throughout the year from guest workshop leaders, who are currently working at high levels in the music industry and can't wait to share their knowledge and experience with the next generation of musicians!

## We're looking forward to welcoming you to the Music department!

If you are unsure of anything, this information will be further explained at Enrolment Day and during your induction.
